ADVENTURE SERIES

SYDNEY - 19 November 2011

Urban MAX

ADVENTURE SERIES

The Urban Max is Australia's very own Amazing Race where teams of two race through the city's urban landmarks in a 3-6 hour adventure.

With only a map, clue sheet and your wits, your team will navigate around the city to locate and complete a variety of physical and mental challenges.

Speed is not always the deciding factor with a strong emphasis on route selection and problem solving skills.

Teams can only travel by foot or public transport and all ages and fitness levels are welcome. The race will conclude with a BBQ and short presentation with over \$5,000 in prizes!

If you can think outside the box and know your way around the city, get your entry in today.
